## Date

This course will be offered on October 26th, 2019.

## Language

This administration of the CNT course will be conducted entirely in Korean, including the lecture, written exam, and practical exam. Foreign applicants should be aware that, if you are planning on relocating to the U.S., the practice of acupuncture is regulated by state law, and some states may require that you complete the CNT course in English. Please check the regulations of the U.S. state in which you intend to practice regarding this requirement.

## Cost

The cost of this administration of the CNT course will be **\$500** (in U.S. dollars) if your application is received on or before the application deadline. Payment must be made by credit card. Applications must include all credit card information. We cannot process any applications without complete payment information.

## Application Deadline/Late Applications

We encourage applicants to submit their CNT applications by **August 26th, 2019**. However, CCAOM will accept applications received after this date with a \$25.00 late application fee if there is space available for the course. *Please note that late application fees are NOT refundable.*

## Clean Needle Technique Manual

The emailed acceptance materials for the course will include a link to the PDF file of the 7<sup>th</sup> Edition of the *Clean Needle Technique Manual*. There is no extra charge for this Manual, which is also available on our website in English, Chinese, and Korean. You will need to study it carefully BEFORE the CNT course. Because the CNT exam questions are based on this edition of the CNT Manual, studying prior editions of the Manual may result in failure of the written exam. All information, procedures, and protocols you need to know to enable you to pass the CNT course are contained within this Manual. We recommend that you bring the Manual with you to the CNT course, either in hard copy form or on a laptop or other electronic device, although this is not required. If you do not want to wait until receiving the acceptance materials to begin studying the Manual, you can access it from our website at any time. If you would prefer a hard copy of the Manual to a digital version, you can transfer the PDF file to a flash drive and have it printed.

## Confirmation of Acceptance into the CNT Course

You will receive an acceptance letter by email approximately one month before the course date. *If you do not receive the acceptance letter by email one month prior to the course date, you must notify the CCAOM office (all communications with the CCAOM office must be in English). It is your responsibility to notify the CCAOM office if you do not receive the acceptance letter. Failure to receive an acceptance letter is not an acceptable excuse for not attending the CNT course for which an applicant is registered.*

## Travel Kit Requirement

You will be required to assemble and bring a travel kit with you to the course, the contents of which will be described in detail in the acceptance letter.

## Cancellation Policy

If you would like to withdraw from the CNT course, please notify the CCAOM office by email. Applicants will be refunded \$300.00 (USD) if the cancellation notice is received 15 days or more before the course date, \$200.00 if it is received 8-14 days before the course date, and \$100.00 if the cancellation notice is received 1-7 days before the course date. *Applicants who fail to attend a CNT course for which they are registered will receive no refund. Please note that late application fees are NOT refundable.*

## Airline Tickets

If you need to fly to a course site, do **not** purchase an airline ticket before you have received the acceptance letter. (You will receive the acceptance letter approximately one month before the course date.) *NOTE: If you fly to attend a CNT course, your travel kit should be placed inside checked baggage, not carry-on.*

## Required Minimum Number of Applicants

If we do not receive a minimum number of applications, the course will be cancelled. This decision will be made 4-5 weeks prior to the course date and will be communicated to applicants by email. In the event of cancellation due to low enrollment, applicants will be issued full refunds.

## Space Limitations

There are space limitations for all CNT courses. Because applications are considered on a first-come first-serve basis, make sure you apply as soon as possible for the CNT course date of your choice.

### **Taping**

The taping or recording (either video or audio) of any portion of the CCAOM CNT course is strictly prohibited. Anyone attempting to record any portion of the course will be asked to leave and will automatically fail the course.

### **Written Exam**

The written exam consists of 55 multiple choice questions. (Five of these questions are items that are being pre-tested and will not count toward the final grade.) Applicants will be given up to 90 minutes to complete this exam, which will be graded on-site. Those applicants who pass the written exam will be allowed to continue with the practical portion of the course. Those applicants who fail the written exam will not be allowed to continue with the CNT course that day and will need to re-apply and re-take the course at a future date.

### **Practical Exam**

Applicants who fail the practical exam will be allowed time to practice the techniques and will be given a second chance to take the practical exam on the same day of the course. Applicants who fail to pass the second practical exam will be required to re-apply and re-take the entire course at another time. No refunds will be given to anyone who is required to re-take the course. All those who must re-take the course will be required to pay the full course fee again.

### **Certificates**

If you pass the written and practical exams, you will receive your certificate at the end of the day. *Please note that it is important to state your name on the CNT application form exactly as it will be given to the NCCAOM, which usually means it has to match your name as it appears on your photo ID.* Certificates are issued with the family name last, as is customary in the United States. If the CCAOM needs to re-issue you a CNT certificate at a later time with a different version of your name, you will be charged a \$15 fee.
