

Maryland University of Integrative Health (MUIH) is one of the nation's leading academic institutions for natural medicine. For nearly 40 years, MUIH has educated and informed practitioners and leaders in health and wellness through transformative and relationship-centered programs that draw from contemporary science and traditional wisdom. Progressive graduate degrees in a wide range of disciplines are offered both on campus and online. The on-site Natural Care Center offers compassionate and affordable healthcare provided by clinical student interns in University Teaching Clinics and from highly skilled faculty practitioners. Professional and Continuing Education offers innovative and flexible lifelong learning options for integrative health and healthcare practitioners. For staff and faculty, MUIH offers a collaborative and vibrant work environment that is mission and values-driven.

Our commitment to diversity makes our organization stronger and is central to fulfilling our mission as healers. As we open ourselves to a variety of viewpoints and experiences, we naturally become more compassionate and better able to address complex problems in our community, our nation, and the world. Deepening our understanding and caring for all people propels our commitment to addressing health care disparities and reaching underserved populations with integrative health care.

### **Position Summary**

Substitute for the regular KCC Supervising Faculty member in their supervisory role with AOM doctoral externship students on pre-determined dates and times.

### **Responsibilities/Duties including essential functions**

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
